April Chapter Meeting: Tuesday, April 21

“The Challenges of Horizontal Surface Coatings and Stains”

Hints and tips to please your customers and open new income opportunities.

Horizontal surface coatings and stains are known to have the biggest failure rate and be among the highest liability projects -- and costly to fix! At the April Chapter meeting learn about deck stains, concrete coatings and stains, and industrial multi-component floor systems. By understanding more about how to meet the challenges of these projects you may open new income territories and pick up ideas on how to add this revenue stream to your company services. We will review general products followed by specific Roundtables. We suggest you invite others from your company so you can participate in multiple Roundtables.

Location: Wilf’s Restaurant, 800 NW Sixth Ave. Portland (at Union Station)
Time: 5:30 p.m. to 8:00 p.m.
Dinner: Buffet: Tuscan Lemon Chicken, garlic baby red potatoes, vegetable medley, Pacific Northwest salad, fresh bread and dessert.
Cost: \$28 for members, \$58 for non-members (unless sponsored by a member)
Parking: Wilf’s has 20 free spots in the lot across the street. The rest of that lot is pay-to-park at \$3.50 per hour (it is monitored). It is less expensive to park on the street at the meters. Meters end at 7:00 p.m. There is also a Star Park lot behind Union Station

Please RSVP by April 17. RSVP form is on the back page!
