

Painting and Decorating Contractors of America Portland Chapter

Purdy[®]

PROFESSIONAL PAINTING TOOLS

Factory Tour Night!

Tuesday, May 15 • 5:30 p.m.

Purdy Factory

13201 N. Lombard • Portland, 97203

Purdy gifts for those attending!

You thought you were lucky to live in the Portland area because of the scenery, fresh air and gorgeous mountains. But, if you're in the painting business, your luck just got better because you are just a stone's throw away from one of the most outstanding paint brush manufacturers in the country. As professional painters most of you are familiar with the Purdy brand. Started by S. Desmond Purdy in 1925, in his converted two-car garage in Portland, the brush manufacturer is now one of the nation's leading brands. And today, as in the beginning, the company continues its reputation for producing handmade brushes of outstanding quality.

Bruce Schneider and all the folks at Purdy invite Portland Chapter members, your employees and guests to enjoy a fascinating tour of the Purdy factory. See how the brushes are handcrafted and experience the pride of the manufacturing team who put a sticker with their name on every brush they make! Learn more about the types of brushes and roller covers available and what products might best suit your style of work.

The event includes hors d'oeuvres, dinner and dessert. Between tour groups we will have ladder safety tips by Werner Ladder Company and a PDCA presentation.

NOTE: Please arrive on time (5:30 p.m.) as each person must review and sign the "Plant Visitor Information Brochure Acknowledgement" before going on the tour. Also, open toe, strapless and clog shoes are prohibited on the manufacturing floor. Shoes must cover the foot entirely and heels cannot exceed 2 inches. The Chapter dinner fee is \$20 for members and \$30 for non-members. (Proceeds go to the Chapter Education Fund.) Please RSVP by May 7, so we can order dinner and plan for Purdy staff members.

Directions: Take I-5 north toward Seattle. Take the Marine Drive Exit, go west and go past Kelly Point Park. The road becomes N. Lombard St. Keep going on N. Lombard Street. The factory will be on your left. Watch for the signs. Make a left turn on Harborgate.

Paint Coverage
